Ireland was the last outpost of Atlantis

From *Blavatsky Collected Writings*, (MISCELLANEOUS NOTES) XI p. 304. [In connection with another article by Dr. C. Carter Blake, dealing with the possible survival of the Atlantean type.]

It is a tradition among Occultists in general, and taught as an historical fact in Occult philosophy, that what is now Ireland was once upon a time the abode of the Atlanteans, emigrants from the submerged island mentioned by Plato. Of all the British Isles, Ireland is the most ancient by several thousands of years. Inferences and “working hypotheses” are left to the Ethnologists, Anthropologists and Geologists. The Masters and keepers of the old science claim to have preserved genuine records, and we Theosophists — *i.e.*, most of us, believe it implicitly. Official Science may deny, but what does it matter? Has not Science begun by denying almost everything it accepts now?
