Extreme measures advocated

From *Blavatsky Collected Writings*, (FRAGMENTS FROM MADAME BLAVATSKY) I p. 404.

[In H.P. Blavatsky's *Scrapbook*, Vol. VII, p. 258, there is pasted a brief cutting entitled "Extreme Measures Advocated." Neither the source, the date, nor the author are stated. It speaks of Charles So-theran who, declaring himself a labour Socialist, spoke at a mass meeting of strikers and urged them to take extreme measures against the Capitalist exploiters. To this, Blavatsky remarked:]

A Theosophist becoming a rioter, encouraging revolution and MURDER, a friend of Communists, is no fit member of our Society.

HE HAS TO GO.
