

*Enoch the Prophet  
warns those who feed on blood*

**W**OE TO YOU, ye obdurate in heart, who commit crime, and feed on blood.  
Whence is it that you feed on good things, drink, and are satiated?  
Is it not because our Lord, the Most High, has abundantly supplied every  
good thing upon earth?  
To you there shall not be peace.<sup>1</sup>
