

*The karmic effects of
invasion, civilization,
and vulgar speculation.*

Madame Blavastky on the karmic effects of invasion, civilization, and vulgar speculation.

First published in *Lucifer*, Vol. VIII, No. 45, May 1891, pp. 177-86; republished in *Blavatsky Collected Writings*, (CIVILIZATION, THE DEATH OF ART AND BEAUTY) XIII p. 184. Frontispiece from "Gate-to Nowhere." Full text in our Down to Earth Series. — ED. PHIL.

WING TO THE TRIUMPHANT MARCH and the invasion of civilization, Nature, as well as man and ethics, is sacrificed, and is fast becoming artificial. Climates are changing, and the face of the whole world will soon be altered. Under the murderous hand of the pioneers of civilization, the destruction of whole primeval forests is leading to the drying up of rivers, and the opening of the Canal of Suez has changed the climate of Egypt as that of Panama will divert the course of the Gulf Stream. Almost tropical countries are now becoming cold and rainy, and fertile lands threaten to be soon transformed into sandy deserts. A few years more and there will not remain within a radius of fifty miles around our large cities one single rural spot inviolate from vulgar speculation. In scenery, the picturesque and the natural is daily replaced by the grotesque and the artificial. Scarce a landscape in England but the fair body of nature is desecrated by the advertisements of "Pears' Soap" and "Beecham's Pills." The pure air of the country is polluted with smoke, the smells of greasy railway-engines, and the sickening odours of gin, whiskey, and beer.¹ And once that every natural spot in the surrounding scenery is gone, and the eye of the painter finds but the artificial and hideous products of modern speculation to rest upon, artistic taste will have to follow suit and disappear along with them.

¹ [Moral pollution, however, is far worse than air pollution, light and noise pollution, littering and plastic pollution, soil and radioactive contamination, thermal pollution, visual pollution, and water pollution, put together.]

Suggested reading for students.

On the soul of the spiritual man lit by its own light.
